Itinerary for Shan State (Myanmar) Photographic Workshop 8Days –7Nights

This is a special workshop dedicated to accomplished photographers who wish to get “off the beaten track” from other tourists and to explore the nature, people and culture of the Shan State in Myanmar. While there is an optional extension of this tour to visit some of the more commonly visited destinations, this workshop will focus on photographing and understanding the Shan State and its people. This is a “no frills” adventure for those willing to occasionally sacrifice creature comforts for the opportunity to experience the people and their surroundings in a less traveled part of Myanmar. We will offer an aggressive schedule for the dedicated photographers while allowing travelers to take a pass whenever they wish to take it easy. A professional Myanmar photographer and a local Shan State guide will be assisting us.
